## INTERAGENCY AGREEMENT

### Victims of Crime Act Victim Assistance Grant Program

This interagency agreement is entered into by the Illinois Criminal Justice Information Authority, with its offices at 120 South Riverside Plaza, Chicago, Illinois 60606, hereinafter referred to as the "Authority", and County of Lake on behalf of the Lake County State's Attorney's Office, hereinafter referred to as the "Implementing Agency," with its principal offices at 18 North County, 4<sup>th</sup> Floor, Waukegan, Illinois 60085 for the implementation of the Prosecutor-Based Victim Assistance Services Program..

**WHEREAS**, Section 7(k) of the Illinois Criminal Justice Information Act (20 ILCS 3930/7(k)) establishes the Authority as the agency "to apply for, receive, establish priorities for, allocate, disburse and spend grants of funds that are made available...from the United States pursuant to the federal Crime Control Act of 1973, as amended, and similar federal legislation, and to enter into agreements with the United States government to further the purposes of this Act, or as may be required as a condition of obtaining federal funds;" and

**WHEREAS**, pursuant to the Authority's rules entitled "Operating Procedures for the Administration of Federal Funds," (20 Illinois Administrative Code 1520 et seq.) the Authority awards federal funds received by the State of Illinois pursuant to the Victims of Crime Act and enters into interagency agreements with state agencies, units of local government, and not-for-profit organizations for the use of these federal funds; and

**WHEREAS**, pursuant to the Victims of Crime Act, the Authority has been designated as the State agency responsible for administering this program; and

**WHEREAS**, the Authority designated the Implementing Agency to receive funds for the purpose of implementing a program to address one of the named areas.

**NOW, THEREFORE, BE IT AGREED** by and between the Illinois Criminal Justice Information Authority and the Implementing Agency as follows:

### **SECTION 1. DEFINITIONS**

"Program": means a planned, integrated approach to an identified problem which is characterized by clear goals, measurable objectives, the implementation of strategies to achieve those objectives and a mechanism for assessing the effectiveness of those strategies.

### **SECTION 2. PERIOD OF PERFORMANCE AND COSTS INCURRED**

The period of performance of this agreement shall be from October 1, 2007 through September 30, 2008.

Costs incurred before the execution date of this agreement may be charged to this agreement if included in Exhibit B, incurred during the period of performance, and the Implementing Agency performed in accordance with the terms and conditions of this agreement.

The Authority shall not be responsible for costs incurred before or after the period of performance of this agreement.

### **SECTION 3. COMMENCEMENT OF PERFORMANCE**

If performance has not commenced within 60 days of the original starting date of this agreement, the Implementing Agency agrees to report by letter to the Authority the steps taken to initiate the program, the reasons for the delay, and

the expected starting date.

If the program is not operational within 90 days of the starting date of this agreement, the Implementing Agency agrees to submit a second letter to the Authority explaining the implementation delay. The Authority may at its discretion either cancel this agreement or extend the implementation date of the program past the 90-day period.

If the program is interrupted for more than 30 days after commencement, due to loss of staff or any other reason, the Implementing Agency agrees to notify the Authority in writing explaining the reasons for the interruption and the steps being taken to resume operation of the program. The Authority may, at its discretion, reduce the amount of federal funds awarded and/or terminate this agreement if the program is interrupted for more than 90 days.

If this agreement is terminated due to this section, the Authority will only pay for those services rendered as of the date service delivery ceased. Any funds advanced to the Implementing Agency and not expended as of that date shall be repaid to the Authority upon notification by the Authority.

#### **SECTION 4. PAYMENT**

The maximum amount of federal funds payable under this agreement is \$62,991 dependent on the expenditure of matching funds as described in this agreement and Exhibit B, and the performance of the Implementing Agency in accordance with the terms and conditions of this agreement.

The Authority agrees to make payment to the Implementing Agency for the administration and implementation of the program described in Exhibit A. Upon receipt of the fiscal and progress reports described in this agreement, quarterly payments will be made to the Implementing Agency. No payment will be made until all outstanding reports are received by the Authority, including outstanding reports from previously funded Authority programs. In addition, due to the unique requirements of the program being funded, the Implementing Agency may request that an advance payment be made during any quarter and must include supporting documentation with the request. Requests for advance payment are subject to review and approval. No payment will be made to an Implementing Agency unless and until the Implementing Agency is in full compliance with applicable state and federal laws and the terms and conditions of this agreement.

The Implementing Agency must provide for the deposit of program funds, including federal and matching funds, into a bank account in the name of the Implementing Agency, either depositing such funds into an account separate from any of its other bank accounts or treating such funds as a separate line item per its budget and audited financial statements. Federal funds shall be immediately deposited into such bank account.

#### **SECTION 5. MATCH**

The Implementing Agency certifies that it (a) meets the requirements of this agreement and (b) has at least 20 percent of its support (including in-kind contributions) from sources other than federal funds for the program described in Exhibit A. Therefore one dollar in cash or in-kind match is required for each four dollars of federal funding received.

Failure of the Implementing Agency to apply non-federal financial support to the program described in Exhibit A in the amount of at least 20 percent of such program's costs, shall result in a proportionate reduction in the amount of federal funds awarded under this agreement and may result in the return of funds already awarded. To meet this matching funds requirement, the Implementing Agency shall apply non-federal financial support to the program, as described in Exhibit B.

#### **SECTION 6. NON-SUPPLANTATION**

The Implementing Agency certifies that VOCA funds will not be used to supplant (replace) State or local funds. VOCA funds must increase the amount that would otherwise be available to the Implementing Agency for the types of activities eligible for funding under the Victims of Crime Act.

## SECTION 7. FUNDING ELIGIBILITY REQUIREMENTS

Implementing Agency certifies that it, and its subcontractors, shall use VOCA and match funds for only allowable services, activities and costs, as described in the Victims of Crime Act Crime Victims Assistance Program Guidelines; Section E. Services, Activities, and Costs at the Subrecipient Level.

The Implementing Agency certifies that only those costs related to the delivery of direct services to victims of crime shall be paid pursuant to this agreement, in accordance with Exhibit B.

In administering the program described in Exhibit A the Implementing Agency agrees that it:

- (a) Is a nonprofit organization or public agency that provides services to victims of crime;
- (b) Has a record of providing effective service to victims of crime and at least 20 percent of its financial support (including in-kind contributions) is from non-federal sources; or, if it has not yet demonstrated a record of providing services, it can demonstrate that 25-50 percent of its financial support comes from non-federal sources;
- (c) Utilizes volunteers;
- (d) Promotes coordinated public and private efforts within the community served to aid crime victims;
- (e) Assists victims in seeking available crime victim compensation benefits;
- (f) Maintains statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, where such statistics are voluntarily provided by those receiving assistance, and permits reasonable access to its books, documents, papers, and records to determine whether the Implementing Agency is complying with applicable civil rights laws; this requirement is waived when the Implementing Agency is providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim;
- (g) Provides services to victims of federal crimes on the same basis as victims of State and local crimes;
- (h) Provides services to crime victims, at no charge, through the program described in Exhibit A; and
- (i) Maintains confidentiality of client-counselor information, as required by State and federal law.

Implementing Agency certifies that it, and its subcontractors, shall not use VOCA or match funds to pay for presentations given by VOCA or match funded personnel, unless the following conditions are adhered to. These presentations should serve as a means of reaching the project's target population either through outreach to individual crime victims or through agencies that typically have contact with the target population.

- VOCA or match funded staff time, not to exceed an average of 4 hours per month, may be used to provide public presentations to community groups and schools provided the primary purpose of the presentation is to inform people about the VOCA funded project and available services.
- VOCA or match funded staff time, not to exceed an average of 10 hours per month, may be used to provide public presentations to criminal justice personnel and medical service providers provided the primary purpose of the presentation is to inform people about the VOCA funded project and available services.

## **SECTION 8. PROGRAM DESCRIPTION, BUDGET, EXHIBITS AND AMENDMENTS**

The Implementing Agency agrees to undertake and perform in a satisfactory manner in accordance with the terms and conditions of this agreement, the program described in the Program Description attached and incorporated as Exhibit A and the Budget attached and incorporated as Exhibit B.

The documents appended are made a part of this agreement, as exhibits and amendments as the case may be. Any amendment to this agreement must be signed by the parties to be effective. The Implementing Agency shall perform the services subject to this agreement in accordance with all terms, conditions, and provisions set forth in such exhibits and amendments.

## **SECTION 9. OBLIGATIONAL LIMITATION**

Payment under this agreement is subject to passage of a suitable and sufficient appropriation by the Illinois General Assembly. Obligations of the State of Illinois will cease immediately without penalty of further payment being required in any fiscal year should the actions of the General Assembly or any applicable funding source result in the failure to appropriate or otherwise make available sufficient funds for this agreement.

## **SECTION 10. FINANCIAL CAPABILITY**

The Authority may, in its discretion, require the Implementing Agency to provide documentation on its financial capability. This may include, but is not limited to, copies of the Implementing Agency's annual report, credit reports, delinquency status of Federal debt, and assurances on the adequacy of the Implementing Agency's accounting system and operations. The Implementing Agency must comply with federal and state financial management standards.

## **SECTION 11. REPORTING AND EVALUATION REQUIREMENTS**

Unless another reporting schedule has been required or approved by the Authority, the Implementing Agency agrees to submit the following minimum data to the Authority on a quarterly basis, with quarters beginning at the start of the calendar year, within 15 days following the quarter covered by the report:

- a) Victim Statistics: Total number of victims and significant others served by program, type of crime, type of services provided, race, sex, age, national origin and disability, where such information is voluntarily furnished by those receiving services; and
- b) Staff Information: Number of hours and types of service contributed during the reporting period by paid and volunteer staff.

The Implementing Agency agrees to submit the following information as required by the Authority:

- a) Changes that have been made in the program since receiving the federal funds that will benefit victims of crime;
- b) A short description of how the program has coordinated its activities with other service providers in the community;
- c) A short description of how the program has assisted crime victims in seeking available crime victim compensation benefits;
- d) Victim statistics, including the total number of victims served by criminal justice status (i.e. reporting/non-reporting, prosecution/non-prosecution);

- e) Staff information, including the number of hours of training received by volunteers and paid staff;
- f) Program information and activities, including the number of hours of training presented, number of hours of public information and education programs presented; and
- g) Number of referrals to/from other agencies.

Unless another reporting schedule has been required or approved by the Authority, the Implementing Agency is also required to submit quarterly fiscal reports and to file year-end program financial status reports. The Executive Director of the Authority will determine the content and form of these reports. The Implementing Agency agrees to report any additional information required by the Executive Director of the Authority.

## **SECTION 12. MAINTENANCE OF RECORDS**

The Implementing Agency agrees to maintain records which document activity reported to the Authority pursuant to this agreement. Such records shall be accessible to the Authority for monitoring purposes no more than 10 days following a request that such records be produced by the Implementing Agency. Inability of the Implementing Agency to produce such records or failure to produce such records shall be cause for suspension or termination of this agreement.

The Implementing Agency agrees to retain financial and program records for a minimum of 3 years after the expiration date of this agreement, or 3 years after closure of Implementing Agency's most recent audit report, whichever is later. The Implementing Agency shall maintain, for this 3-year period, adequate books, records, and supporting documents to verify the amounts, recipients, and uses of all disbursements of funds passing in conjunction with this agreement; the agreement and all books, records, and supporting documents related to the agreement shall be available for review and audit by the Auditor General, federal awarding agency personnel, the Authority, or any person duly authorized by the Authority; and the Implementing Agency agrees to cooperate fully with any audit conducted by the Auditor General, the federal awarding agency, the Authority or any person duly authorized by the Authority, and to provide full access to all relevant materials. Failure to maintain the books, records, and supporting documents required by this Section shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the agreement for which adequate books, records, and supporting documentation are not available to support their purported disbursement.

If any litigation, claim, negotiation, audit, review or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until the completion of the action and resolution of all issues that arise from it or until the end of the regular 3-year period, whichever is later.

## **SECTION 13. CLOSE-OUT REQUIREMENTS**

Within 45 days of the expiration date of this agreement or any approved extension thereof the following documents must be submitted by the Implementing Agency to the Authority: (a) final financial status report; (b) final progress reports; (c) property inventory report; and (d) other documents required by the Authority.

## **SECTION 14. INSPECTION AND AUDIT**

If required by revised Office of Management and Budget Circular A-133 "Audits of States, Local Governments, and Non-Profit Organizations," the Implementing Agency agrees to provide for an independent audit of its activities. Audits shall be made annually, unless A-133 allows the Implementing Agency to undergo biennial audits. Audits shall be made in accordance with the Generally Accepted Government Auditing Standards (GAGAS), General Accounting Standards for Audit of Governmental Organizations, Programs, Activities and Functions, the Guidelines for Financial and Compliance Audits of Federally Assisted Programs, any compliance supplements approved by the Office of Management and Budget, and generally accepted auditing standards established by the American Institute of Certified Public Accountants. Copies of all audits must be submitted to the Authority no later than 9 months after

the close of the Implementing Agency's audit period.

Known or suspected violations of any law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities, must be immediately communicated to the Authority and appropriate federal, State, and local law enforcement officials.

The Implementing Agency agrees to develop and maintain a record-keeping system to document all agreement related activities and expenditures. These records will act as the original source material for compilation of the data required in this agreement and all other program activity.

The Authority shall have access for purposes of monitoring, audit and examination to all relevant books, documents, papers, and records of the Implementing Agency, and to relevant books, documents, papers and records of subcontractors.

## **SECTION 15. PROCUREMENT REQUIREMENTS, REQUESTS FOR PROPOSALS**

All procurement transactions shall be conducted by the Implementing Agency in a manner to provide, to the maximum extent practical, open and free competition. The Implementing Agency must use procurement procedures that minimally adhere to all applicable laws, executive orders and federal guidelines. The Implementing Agency shall also adhere, and assure that its contractors and subcontractors adhere, to all applicable certification and disclosure requirements of the Illinois Procurement Code.

The Implementing Agency shall follow its established procurement process if it minimally adheres to applicable federal guidelines, and the following requirements. If the Implementing Agency's established procurement process is less competitive than the following requirements, the following more competitive requirements must be adhered to in lieu of the Implementing Agency's procurement process.

- For procurements of \$100,000 or less, the Implementing Agency must solicit quotes or bids from at least three sources.
- For procurements over \$100,000, the Implementing Agency must formally advertise the proposed procurement through an Invitation for Bids (IFB), or a Request for Proposals (RFP) process.

All RFPs over \$100,000, that involve the use of federal or matching funds, must be submitted by the Implementing Agency to the Authority for review and written approval prior to their issuance. In addition, the Authority reserves the right to request that any RFP or IFB, regardless of its dollar amount, be submitted to the Authority for review and approval prior to its issuance.

As required by the Authority, the Implementing Agency shall submit documentation regarding its procurement procedures and grant-funded purchases for Authority review and approval, to assure adherence to applicable federal guidelines.

## **SECTION 16. SUBCONTRACTING**

The use of subcontractors for any work or professional services that involves the use of federal or matching funds is subject to Authority approval. Any work or professional services subcontracted for shall be specified by written contract and subject to all terms and conditions contained in this agreement. If the use of subcontractors is approved by the Authority, the terms and conditions of this agreement shall apply to and bind the party or parties to whom such work is subcontracted as fully and completely as the Implementing Agency is bound and obligated. The Implementing Agency shall make reasonable efforts to assure that all subcontractors adhere to the terms and conditions of this agreement. The Authority shall not be responsible for the performance, acts or omissions of any subcontractor.

Subcontracts over \$100,000 that are funded with federal or matching funds must be submitted by the Implementing Agency for Authority review and approval prior to their effective dates and execution by the Implementing Agency. In addition, the Authority reserves the right to require that any subcontract funded with federal or matching funds, regardless of its dollar amount, be submitted to the Authority for review and approval prior to its effective date and execution by the Implementing Agency.

As required by the Authority, the Implementing Agency shall submit documentation regarding contracts to be funded with federal or matching funds for Authority review and approval, to assure adherence to applicable federal guidelines.

Approval of the use of subcontractors by the Authority does not relieve the Implementing Agency of its obligation to assure performance under this agreement.

#### **SECTION 17. ASSIGNMENT**

The Implementing Agency shall make no assignment or transfer of this agreement, any subcontracts under this agreement or of any of the monies due hereunder without prior written approval of the Authority. In the event that the Authority approves such an assignment or transfer, the terms and conditions of this agreement shall apply to and bind the party or parties to whom such work is assigned or transferred as fully and completely as the Implementing Agency is bound and obligated.

#### **SECTION 18. INDEPENDENT CONTRACTOR**

The Implementing Agency, in the performance of this agreement, shall act as an independent contractor and not as an agent or employee of the Authority. The Authority shall not be responsible for the performance, acts or omissions of the Implementing Agency. The Implementing Agency shall be liable, and agrees to be liable for, and shall indemnify, defend and hold the Authority harmless for all claims, suits, judgments and damages arising from the performance of this agreement, to the extent permitted by law.

#### **SECTION 19. MANAGEMENT AND DISPOSITION OF EQUIPMENT AND COMMODITIES**

Equipment and commodities acquired by the Implementing Agency with agreement funds shall be used for purposes of the program described in Exhibit A only. The Implementing Agency shall retain the equipment and commodities acquired with agreement funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by federal funds. If the equipment or commodities originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced or there is no longer a need for the equipment or commodities, the Implementing Agency shall request instructions from the Authority.

The Authority may deny equipment and commodities costs or require that the Implementing Agency relinquish already purchased equipment and commodities to the Authority, if the Implementing Agency fails to employ an adequate property management system, governing the use, protection and management of such property. The Implementing Agency is responsible for replacing or repairing equipment and commodities that are willfully or negligently lost, stolen, damaged or destroyed. The Implementing Agency shall provide equivalent insurance coverage for equipment and commodities acquired with agreement funds as provided for other equipment and commodities owned by the recipient. Any loss, damage or theft of equipment and commodities shall be investigated and fully documented, and immediately reported to the Authority.

If, for an item of equipment described in Exhibit B to be funded with either federal or matching funds, the Implementing Agency does not have a purchase order dated within 90 days after the start date of the agreement, the Implementing Agency shall submit a letter to the Authority explaining the delay in the purchase of equipment. The Authority may, in its discretion:

- A. Reduce the amount of federal funding;
- B. Cancel this agreement;
- C. Allow the Implementing Agency to reallocate the federal or matching funds that were allocated for such equipment to other allowable, Authority approved costs; or
- D. Extend the period to purchase this equipment past the 90-day period.

Equipment purchased using federal or matching funds shall be year 2000 compliant and shall be able to process all time/date data after December 31, 1999.

## **SECTION 20. CONFLICTS OF INTEREST**

The Implementing Agency agrees to comply with applicable provisions of the Illinois Procurement Code (30 ILCS 500) prohibiting conflicts of interest, and all applicable terms, conditions and provisions of the code are made a part of this agreement the same as though they were incorporated and included herein.

No employee, officer or agent of the Implementing Agency shall participate in the selection, or in the award or administration of a contract supported by federal funds if a conflict of interest, real or apparent, would be involved. The Implementing Agency shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

Prior to obligating federal grant or matching funds in connection with the program, the Implementing Agency must determine if any of the following activities will be related to the use of such federal grant or matching funds. The Implementing Agency must notify the Authority in writing if it will be conducting any of the following activities, when the activity is undertaken in order to use, or is funded with, federal grant or matching funds in connection with the program:

Dear Ms. Huber:

Enclosed you will find Interagency Agreement #207077 between your office and the authority for the Child Advocacy Center Services Program. Please obtain the necessary signatures on the agreement and return the entire packet to my attention for further processing.

I have also enclosed the Fiscal information sheet and Initial cash request forms needed to begin the draw down of federal funds. Please fill out these forms and return them to me with the signed agreement. Once all signatures (Blue Ink) are received on the agreement, I will process the paperwork for you to receive your initial federal funds for this program.

Please note that this packet also includes two new forms regarding civil rights compliance. Please review, sign and forward these civil rights compliance certifications to the Authority. This grant cannot be submitted for final signature by the Authority's Executive Director until these forms have been completed.

As a point of clarification, these certifications do not represent new civil rights requirements that grantees must adhere to. These certifications reflect existing federal regulations that have always been included in the interagency agreements between your office and the Authority, but now a separate certification is required.

If you have any questions, please feel free to contact me at (312) 793-1304 or by email at Dorothy.lawrence@illinois.gov. I look forward to working with you on this program.

Respectfully,

*Dorothy J. Lawrence*
